To Whom It May Concern:

Cleaning Up The Environment, Inc. has been contracted by the companies whose Hazardous Waste Activity Notifications are enclosed, to transport and remove drummed waste materials. These drums are scheduled for disposal next week, so we have gathered the forms from the companies who had not yet filed for generator identification numbers and are sending them to you under this one coverletter.

Should you have any questions or comments, please feel free to contact me. I would greatly appreciate if you could telephone me with the numbers once they have been assigned.

Thank you for your time and attention to this matter.

Sincerely,

*Debra Blendowski*
